MARCH 29, 2021 AT 11 AM

Effective Project Partnering

with

David Skuodas & Laura Kroeger, Mile High Flood District

COURSE OBJECTIVES:

Laura and Dave will share lessons learned after nearly 10 years of the Mile High Flood District using the Project Partners project delivery system. Topics will include the history of Project Partners, how it's different than other delivery systems, and how to be an effective partner at various stages of a project.
