Mr. Dave Skuodas, P.E., CFM
Design, Construction, and Maintenance Director
of the Mile High Flood District

Interested in an interactive 2-hour FREE seminar on how YOU can become a more engaging, exciting, and informative public speaker? Please join us on August 29th at the Mile High Flood District office for a lunchtime discussion led by Dave Skuodas, Director of Design, Construction, and Maintenance at the MHFD. In-person attendance is highly encouraged, but space is limited to 40 in-person attendees! For our overflow guests, or those unable to attend in person, a virtual option is also be provided.

Dave received a Bachelor of Science Degree in Civil Engineering from the University of Florida in December of 2000, is a registered Professional Engineer, a Certified Floodplain Manager, a LEED Accredited Professional, and a Toastmasters Competent Communicator. He's the author of the recently published book *The Effective Client: Why Being a Good Client is Smart Business in the Architecture, Engineering, and Construction Industries*. He's also a frequent contributor of educational content on social media and is the co-host of a podcast called *Middle Aged Wisdom* with his wife, Nancy.

We look forward to seeing you in August!
